Letter No: B 262/43-4 dt 16.2.44 from the Dr. of Ind & Com: recommending the grant of a Personal Allowance of Rs 25 p.m. with effect from 1.1.1944 to Mr: M.G. Chelvaraja, Manager of his Office.

The Dr. of Ind: and Com: states that Mr: M.G. Chelvaraja was appointed Manager of his office in grade Rs 100-10-150 on 18.12.1936 and reached the maximum of the grade in Dec: 1940. He states that the activities of the Deptt. in several directions viz: promulgation of Control Orders, relief Scheme to handloom weaver, development of Rural and Cottage Industries etc: have increased the work and responsibilities of the Manager and recommends the grant of a personal allowance of Rs 25 p.m to him with effect from 1.1.1944. It is proposed to meet the extra cost during the current year from the anticipated savings in the Budget of the Deptt for the current year - making the necessary provision in the next year's Budget:

Subd: for orders with references.

Ulsoor 7/8/44 3 There is absolutely no doubt that the work in this Dirn Office has grown to a proportion beyond comparison with what it was. In this view, the recommendation is well founded. The date of birth is seen to be (from the Graduation list) 1.4.1890. As such, he reaches the age of Superannuation on 1.4.1948. In this view also, the proposal would merit favourable Stagnation in the Contributory factor.

Charles E. Noronha, Esq., M.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

Re: Mr. M.G.Cheluvaiya, Manager of my office - Personal Allowance.

Src 413-M-5
7:3.

I have the honour to state that when the Department of Industries and Commerce was re-organised so far back as 1928 (G.O.No.D.160-161/I&C.) 13-27-5 dated 2nd November 1928) the pay of the Manager of my office was fixed at Rs 100-10-150 from July 1929. The strength of the office which stood at 24 hands then, has now more than doubled on account of the addition of various activities to this Department, and the work has also increased considerably owing to the conditions created by the War, the several Control Orders promulgated by the Government of Mysore, the administration of which rests with me, the impetus given to the development of the Rural and Cottage Industries, the relief given to the hand-loom weavers, etc. All these new activities have increased the work and the responsibilities of the Manager of my office too.

The present Manager, Mr. M.G. Cheluvaiya, has put in a service of over 30 years. He was appointed Manager in grade Rs 100-10-150 on 18-12-1935 and reached the maximum of the grade so far back as 18th December 1940. He has aquitted himself well in all the duties entrusted to him specially now when there is heavy increase in the work of my office. He has had no promotions for over 3 years in spite of the increased work. As it has not been possible to promote him to the Gazetted rank, as in the case of his predecessor Mr. D. Raja Rao, and as I feel that an official who has been entrusted with heavy work should not go unrewarded before he is retired from service, I strongly recommend that an allowance of Rs 25/- per mensem which is but too modest when compared with the increased and responsible work he is entrusted with may be granted to Mr. M.G. Cheluvaiya in addition to his pay with effect from 1st January 1944, and treated as personal to him, so that at least this small allowance may add on to his salary and count for pension.

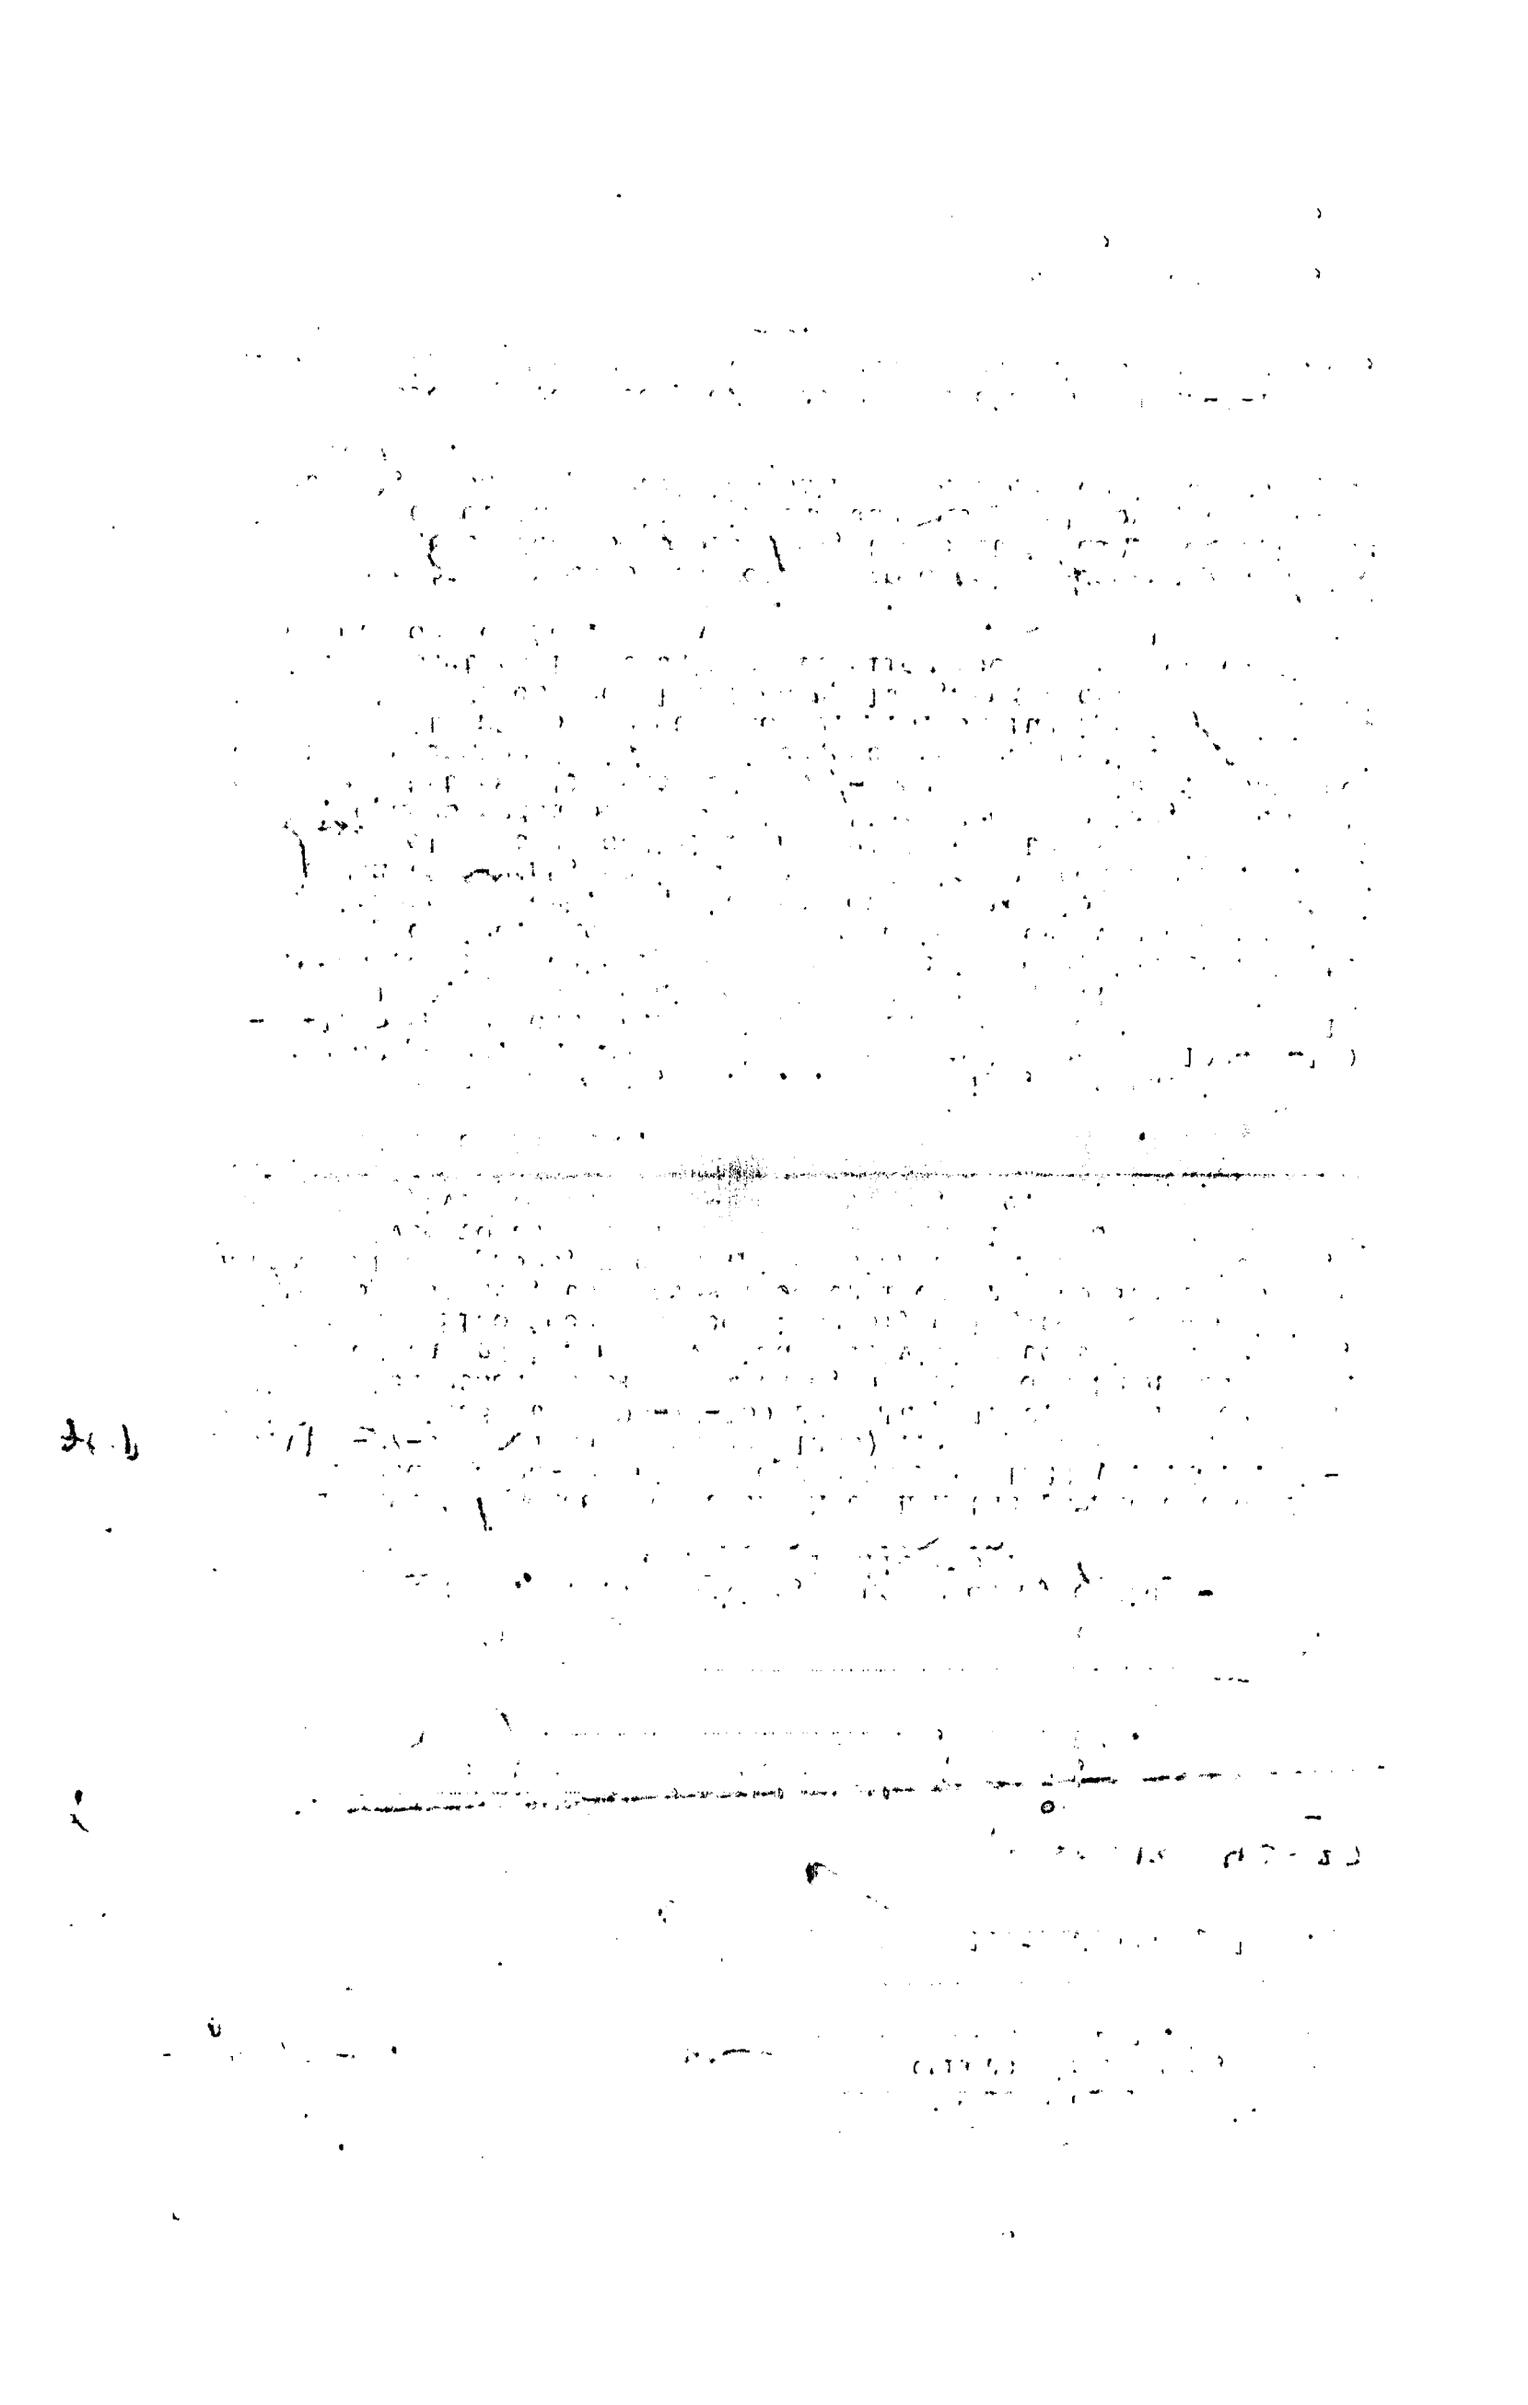
I request you to be so good as to obtain very early sanction of Government to the above proposal, the cost involved on this account being met out of the savings in the current year's budget of this Department, necessary provision being made therefor in the budget for the next year.

I enclose herein copy of a representation dated 29-1-1944 of Mr. Cheluvaiya together with the extracts from his Character Book, for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

BVP Murthy Rao
DIRECTOR.

RS)



SUBMITTED.

Please permit me to express my gratitude for the kind instructions you gave to the Assistant Director (General) on the 20th instant on the eve of your departure to Lucknow to recommend to me an allowance of Rs 25/- in view of the all round increase of work in the office and the long hours I have to work. Permit me Sir, to say a few words concerning myself in this connection.

I was an Accounts Clerk borne on the Comptroller's Establishment having entered service on 16-10-1913. The late Mr. V. Rangaswamy Iyengar of revered memory the then illustrious Director of Industries, requisitioned for my services to the then Comptroller Mr. M.N. Krishna Rao. I joined this Department on 18-7-1918. Of the total period of my service of just over 30 years, I have put in more than 25 years in this Department. My sole motto during all my service has been to spare no pain in giving satisfaction in my work and strive to please my superiors as best as I could. I have had the good fortune to serve all the Directors including your goodself with the sole exception of Sir Alfred Chatterton the first Director. I have annexed to this representation extracts of their remarks about my work and conduct from my Character Book. With their kind blessings I am now holding the humble position of the Manager of your office since the last 8 years on a pay of Rs 150 which I am drawing for over three years.

The pay of the Manager was fixed at Rs 100-10-150 fifteen years ago when the conditions of life were normal and the duties devolved on the ministerial head of the office were not half as much as they are now. The strength of the office stood at 24 hands then and now the strength of the office has more than doubled. Owing to the conditions created by the war this Department has its share of new activities just as other Government Departments. Besides this, the impetus given to the development of the Rural and Minor Industries, the relief given to the Handloom weavers and several other new activities added on to this Department has had its share of work on me.

In this connection, I may bring to the kind notice of the Director that my predecessor Mr. D. Raja Rao, had chances of being elevated to the gazetted rank on 18-1-1936 and soon after that (4-1-1937) his services were requisitioned by the Mysore Paper Mills, Ltd., and in the capacity of the Secretary to the Mills. He is still serving though retired from Government Service in the year 1938. He was given lien on the post of Superintendent, Commercial Intelligence till the date of his retirement, and unfortunately for me this post was abolished with his retirement. I have thus lost the chance of rising to this position. As at present, of the 3 Assistant Directors, one (A.D.G) is reserved for a Civilian, the other (A.D.F) is reserved for an Accounts Officer of the Finance Department and the third (A.D.C.) is filled up by one possessing qualifications in Commerce and Statistics, so the chances of promotion are lost to the Ministerial Head of the office. In some Provincial Offices, the Manager of the office has chances of rising to the position of a Personal Assistant to the Head of the Department as in the Co-operative and Revenue Departments. Had I continued in the Accounts Department I would have had chances of becoming an Assistant Comptroller as many of my juniors have all become Assistant Comptrollers.

If it is not impudent on my part to suggest, I beg to submit the following proposal for the kind consideration of Director.

Now that Mr. B.S.Nanjundagowda, has been detailed solely to

P. T. O.

to look after the control orders and the Director has made proposals for the appointment of another Assistant Director, and instead of importing another Civilian Assistant Commissioner as Assistant Director, I beg I may be given the chance to serve as Assistant to the Director.

Instances are not wanting in our Department of choosing a ministerial officer to the gazetted rank. The late Mr. C. Madhavamurthy Rao (Senior Auditor) was appointed to act as A.D. (F) on two occasions. In view of the fact that I have only 14 months to serve your goodself, I only request you, Sir, kindly to recommend my case to Government for their kind consideration to appoint me as S.P.T. Assistant Director so that I may get a little higher pension. If you consider this request of mine too much, I request that the allowance of Rs 25/- which you have been good enough to promise as personal to me so that it may add on to my salary and count for my pension.

I shall be ever grateful to you for this act of kindness.

Manager.
